

The European Aeronautics Science Network Association (EASN) has the honour of inviting you to the

## 2<sup>nd</sup> Parliamentary Breakfast

On the 12<sup>th</sup> of April, 2018, 08.00 am - 09.00 am

hosted by

MEP Dr. Dieter-Lebrecht Koch, Vice-chair of the Committee on Transport & Tourism (TRAN)

&

MEP Ms. Monika Hohlmeier, Chair of the Intergroup "Sky & Space"

guided by the topic

# Accelerated impact of academic aviation research for improved air transport for all European citizens

### Speakers

- **Dr. Dieter-Lebrecht Koch**, Member of the European Parliament, Vice-chair of the Committee on Transport and Tourism (TRAN)
- **Mrs. Monika Hohlmeier**, Member of the European Parliament, Chair of the Intergroup "Sky & Space"
- **Mrs. Clara De La Torre**, European Commission, Director of Transport in DG Research & Innovation
- **Prof. Spiros Pantelakis**, Chairman of EASN, University of Patras

### Selected Topics

- Past achievements of academic research for seamless and affordable air transport in Europe.
- What are the technical, legal and "entrepreneurial" options to accelerate and improve the impact of academic research, especially towards the EU "missions".
- Innovation and breakthrough technologies in aviation as an indispensable condition to ensure competitiveness and global leadership of the European aviation.
- Open dissemination of knowledge and breakthrough technologies to ensure trans-sectorial exploitation of innovation.

### Venue

Members Salon, European Parliament, Rue Wiertz 60, 1047 Brussels, Belgium.
